

SINDHI COLLEGE, CHENNAI-77
DEPARTMENT OF MATHEMATICS
INTERNATIONAL EDUCATION DAY REPORT

The Department of Mathematics in Association with IQAC celebrated “International Education Day on 24-01-2024 (Wednesday) in Room No. SF.16. Under the guidance of Dr. T. Prahalathan, Principal (i/c) and Dr. Shobana, Vice Principal, we commemorate the importance of education in various fields at an international level. The topic for the event was “Learning for Lasting Peace”. The Organisers of the event were Dr.B.Deepa, Associate Professor and Mrs.B.Mohana Priya, Assistant Professor, Department of Mathematics. The program began with Prayer song and Welcome Address by F. Dhun Nafesha Fathima of II B.Sc., Maths. Dr. R.Kokila, Head, Department of Mathematics gave the introductory speech for the event. From all departments, almost 45 students registered for the program.

The following competitions were held in this regard in which students from various department participated with great enthusiasm.

1. Elocution
2. Slogan Contest
3. Poster Presentation

The Judge for the Elocution competition was Dr. D. Mary Arockia Cletus Kala, Head, Department of Tamil. In this Elocution six students participated. The students actively delivered their impressive speeches on the given topic in both Tamil and English within the allocated time period. The judge evaluated the participants based on various factors such as clarity of speech, pronunciation, voice modulation, expression, stage presence, and overall impact.

The next event Slogan Contest, seventeen students were participated. Dr.R.Ramani, Head, Department of Visual Communication was the judge for the event. Relevance to theme, originality, and creativity were used as criteria for the selection. Another event, a poster presentation, Eight students participated. Mrs. C. Maheshwari. Head, PG. Department of Social work the judge for the event. The selection was based on the criteria used appearance (A); content (B); and presentation (C). The students expressed their ideas through chart

papers, A4 sheets using vivid colours and posters. The hidden talents of the students were showcased in these events. Overall the program was a grand success.
