Department

Total Strength : 16 Students + 4 Staff

The Department of Tourism and Travel Management organized a tour to Kanyakumari as a part of the curriculum, from 14/03/2023 to 15/03/2023 for our department students under the guidance of our Staff Members.

Kanyakumari, it is also known as Cape Comorin, Kumari and Kumari Munai. This is a 'rocky mainland on the Indian Ocean in the State of Tamil Nadu and located at the Southern Most tip of the Indian Subcontinent. Many call it "koodal" meaning it is situated at the Confluence of three oceans Bay of Bengal, Arabian Sea and Indian Ocean. Kanyakumari is popular because it is the only places on earth, where you can see the Sun Rise and Sun Set from the ocean. It is the only place in India where one can enjoy the unique spectacle of Sunset and Moonrise simultaneously on full moon days. It is even more special and spectacular on Chitra Pournami [full moon that occurs in Apr-May] when one can view both the sun and the moon facing each other on the same horizon, a rare sight of unique grandeur, which seems to happen by prior arrangement. Kanyakumari is popular because it is the only places on earth, where you can see the Sun Rise and Sun Set from the ocean. It is the only place in India where one can enjoy the unique spectacle of Sunset and Moonrise simultaneously on full moon days.
